XII. CEO Report

- She has been working with Mr. Yepez on the financials and end of year numbers.
- 2019: 716 employees; 2020: 104 employees (there were only that many because there were events in January and February which required security and maintenance); 2021: 6 civil service, 1 retired annuitant CEO, 4 night patrol and two contractors.
- She explained the significant cost of PERS over the years and how that is one of the biggest expenses with employees. Many of the other cuts were discussed along with this one.
- The phone system has been down, but staff is in the process of installing a new one and hopes it will be done by the end of the week.
- There has been fraud on the auction account so that is in the process of being closed. A claim has been opened with the CHP and the exhibitors that have not cashed their checks yet will be contacted so new checks can be reissued.

XIII. President's Comments

• Explained that there was a lot of confusion when the vaccinations started which was not our fault, but she spoke to Mr. Maynard with OES and it seems to be running smoothly now. We have a good partnership with OES which she is very pleased with.

XIV. Director's Comments

Director Cuevas

• She had a conversation with Mr. Maynard and he was happy to be able to bring the testing and vaccination sites to the fairgrounds. He hopes to bring more to the

fairgrounds in the future and he said that if there are any problems to reach out to him and he's be happy to help.

- She thanked staff for their presence and keeping the fairgrounds operable. The numbers that CEO Quaid gave earlier were astounding and devastating. It goes to show everyone how many jobs the fairgrounds provides and the money that is generated in the community.
- Thanked CEO Quaid for her continued support and work on behalf of the fairgrounds.
- Her expectation is that there will not be a fair this year, but hopes for the best. Safety comes first.

Director Long

- He reiterated Director Cuevas' comments.
- He expressed his gratefulness to staff for keeping it all together.
- His hopes are to take the vaccine soon.

Director Lopez

• He added his voice to everyone complementing the staff.

Director Bradbury

• Hopes everyone stays safe and well and that all are in his prayers.

Vice President Lacayo

- Wanted to reiterate Director Cuevas' comments as well.
- Thanked CEO Quaid for her work and support.
- She has her appointment tomorrow to get the vaccine, so she is excited about that.
- Explained that one positive thing from this all is that she was able to renew her driver's license online.

XVII. Future Agenda Items – None

There was a discussion regarding having a virtual auction again this year and CEO Quaid confirmed that there will not be a virtual auction held on behalf of the fairgrounds this year in 2021. She explained that if another organization would like to hold an auction that would be up to them. There will be something posted on our website and we will try and reach out to the livestock community.
